

Original Research Release Waiver INSPIRE Student Health Sciences Research Journal

Articles that contain original research data (e.g. vacation studentships, audits) need explicit permission from the group leader/P.I or supervisor before acceptance and publication in the ISHSRJ. Please forward this waiver to the relevant parties for confirmation. No full-text articles will be published without completion of this waiver; please send the completed form to inspirestudentjournal@gmail.com.

Name of supervisor/P.I:
Lab/Research group:
Address:
